EDUCATION

Princeton University

Princeton, NJ

Ph.D. in Operations Research and Financial Engineering (GPA: 3.95/4.00)

Aug 2023 - Present

Advised by Ronnie Sircar. Coursework in Optimization, Probability, Stochastic Calculus, Statistics,

Computational Finance, Risk Management, Asset Pricing, PDE Methods.

Bogazici University

Istanbul, Turkey

B.S. degree in Electrical and Electronics Engineering, High Honors (GPA: 3.90/4.00)

Aug 2019 - Jun 2023

Minor degree in Economics (GPA: 4.00/4.00)

Kadikoy Anatolian High School

Istanbul, Turkey

High School Diploma, Valedictorian (Class Rank: 1/333)

Sep 2014 - Jun 2019

EXPERIENCE

Princeton University
Assistant in Instruction

Princeton, NJ

Aug 2024 - Present

• Teaching assistant of ORF 363 / COS 323: Computing and Optimization for Fall 2024 and Spring 2025.

Bogazici University - Photonics and Optical Wireless Communication Laboratory

Istanbul, Turkey Sep 2022 - Jun 2023

Undergraduate Research Assistant

• Editor's Choice Award from Photonics journal.

- Senior design project on Vehicle-to-Vehicle Communication, focusing on field-of-view limitations on curvy roads.
- Worked on hardware and software aspects for the project, used MATLAB for modeling.

Max Planck Institute for Intelligent Systems

Stuttgart, Germany

Undergraduate Research Intern at Physical Intelligence Department

Jul 2022 - Sep 2022

- Utilized Python and Robot Operating System in order to construct a closed-loop controller with visual feedback, ran systematic experiments.
- Employed Machine Learning tools to achieve real-time data processing and decision making for robot motion.

Kusto Group Singapore - KGM Energy

Istanbul, Turkey

Energy Operations Intern

Jan 2022 - Feb 2022

• Developed company decisions regarding production, distribution and sales of electrical energy in Turkey. Worked on electricity market structure and price setting.

Bogazici University Electrotechnology Club - IEEE Student Branch

Istanbul, Turkey

Coordinator and Active Member

Sep 2019 - Jun 2022

 Co-led the event organization committee to connect 100 university students with executives from various fields & internship opportunities, and to hold regular meetings. Organization team member in Leading Women in Science and Technology Summit, Bogazici Energy Summit.

ACHIEVEMENTS AND SCHOLARSHIPS

6th place in Turkish University Entrance Exam 2019: Among 2,528,031 test takers, 6th place in Quantitative, 1st in English Language section.

Turkish Presidential Outstanding Success Scholarship: Recipient of financial scholarship for duration of undergraduate degree.

Bogazici University Outstanding Success Scholarship: Recipient for duration of excellent academic standing: covers general room, board and book expenses.
